N

Volkswagen Amarok Accessories

For the adventurer, the family of travellers or the hardworking tradie - whoever you may be, ARB will be there every step of your journey, offering you the highest calibre 4×4 accessories on the market.

With an unrelenting commitment to innovation and engineering excellence, an extensive network of retail outlets and workshops around the country and exceptional aftersales support, you can be assured you're getting quality products, reliable service and sound advice.

Protection Equipment

4

OUR PROTECTION GEAR HAS BEEN DESIGNED FOR MAXIMUM STRENGTH, STYLE AND PRACTICALITY.

Vehicle protection is one of the main priorities for owners of four wheel drives and commercial vehicles. Bull bars, rear bars and side rails and steps will help prevent expensive panel damage, especially when heading off road, as well as providing a solid base on which to mount a range of accessories like winches, driving lights and antennas. Like all of our products, our protection gear has been designed for maximum strength, style and practicality.

Summit Bull Bar

Built on ARB's tradition of pioneering innovation and bringing a fresh, contemporary design for modern day vehicles, the ARB Summit bull bar uses press forming technology and incorporates a larger tube diameter to deliver the ultimate in strength and aesthetics. Compatible with the latest vehicle safety systems and encompassing a range of practical features including provision for driving lights, communication antennas and electric winches, as well as protection against corrosion, the ARB Summit bull bar represents the pinnacle in frontal protection.

Summit Sahara Bar

Featuring many of the protection and design elements of the Summit bull bar, the Summit Sahara bar offers modern vehicle owners the choice of optioning a polished or painted aluminium centre tube for a uniquely different look to the more traditional bull bar, while maintaining a high level of impact protection. The Summit Sahara bar comes standard in a hardwearing black powder coat finish, with the option to colour code.

Alloy Bull Bar

The ARB Alloy bull bar offers yet another choice for frontal protection. With styling elements designed to complement modern four wheel drive vehicles, the bar is manufactured from lightweight and corrosion resistant alloys, with a steel substructure and mounting system for maximum strength.

Like all other ARB bars, the Alloy bull bar utilises renowned manufacturing processes throughout, ensuring strength and durability and includes provision for driving lights, communication antennas and electric winches.

Summit Rear Step Tow Bar

Providing both maximum towing capacity and increased rear end protection on and off road, the Summit rear step tow bar combines class-leading design, proven ARB engineering and a no compromise approach to protection and performance. Built around a tubular steel subframe, the Summit rear step tow bar includes an integrated tow hitch, provisions for an ARB air compressor outlet, trailer camera wiring, 50 amp Anderson plug and trailer plug wiring.

With press forming used throughout for increased strength, the Summit rear step tow bar is ready for the most demanding off road use.

Summit Side Rails and Steps

ARB offers a range of side rails and steps specifically designed to protect your doors, side sills and front quarter panels from damage off road, as well as aiding access to and from the vehicle.

ARB's modern Summit side rails and steps have been designed to incorporate a sleek extruded aluminium step section and an integrated clamp system for bull bar attachment. For those not requiring side rails, a standalone step can be fitted.

Ascent Canopy

ARB's Ascent canopy features the latest in design, technology and functionality, while providing extra storage and added security and protection for belongings during on and off road travel. Designed, engineered and assembled in Australia, the Ascent canopy has gone through a vigorous testing regime to ensure it can handle the harshest of conditions.

Features

- High flow, canopy vent comes as standard on the Ascent range
- Frameless exterior windows with slam shut latches

- Stylish and functional interior design with maximum space and concealment of all fasteners and wiring looms, where possible
- Electronic unlatching system for the rear door and side lift up or pop up windows
- Tinted and tempered safety glass for the rear door and side windows

- Over-rail design which form fits to the vehicle with no visible seal
- LED interior light
- Rear spoiler which incorporates an LED brake light
- Anti-entrapment dial, which allows the rear door to be locked or unlocked from within the canopy
- Keyless entry and remote central locking
- High specification adhesive to reduce glare and the potential for water and dust ingress

Classic and Classic Plus Canopies

ARB's Classic canopy has stood the test of time, offering unrivalled quality, practicality and affordability, making it the perfect solution to increase the space and security of a utility vehicle. The Classic canopy can be tailored to suit different requirements and has an extensive range of accessories to complement it.

Features

- Weatherproof exterior, with a UV-rated finish
- Central locking rear window offers added security for belongings stored in the canopy (Classic Plus only)
- Sliding or lift up side windows available
- Internal halogen light
- LED brake light
- Smooth, inert materials are used in the interior making it easy to clean

- Side and rear windows are manufactured with factory tinted and tempered safety glass
- The lift up side and rear windows operate via gas struts to assist with opening and closing

- Available in a smooth or textured finish (Classic Plus available in smooth only)
- Optional accessories for the Classic canopy include; security mesh for sliding windows, high flow canopy vent and lift up side windows

Tango Sport Lid

The Tango sport lid is an alternative to a permanently mounted canopy, providing secure storage and keeping your gear protected from the elements. With an option to mount roof accessories for additional storage, the top of the sport lid can hold a total of 75kg, with a maximum of 20kg if the lid is to be lifted with the cargo still mounted. Features include central locking via the vehicle key fob, soft touch electronic unlatching mechanism, LED interior light and emergency override of the locking mechanism.

→ Available for Ranger

Tango mount rails

Tango Loadmaster cargo organiser

The base for the whole Tango system, the Tango mount rails offer protection to the top of the tub walls, without interfering with OE tie down points or other accessories such as ute liners and Sportguards. For additional storage, a range of products can be added via the T-slots including Thule and Rhino roof bars and bike carriers. Designed to slide into the T-slots on each side of the vehicle tub, the Tango Loadmaster cargo organiser is handy for sectioning areas and separating cargo in the tub. It incorporates two pockets along the length of the divider for storing smaller items.

Roof Racks and Roof Bars

A roof rack is a valuable and versatile accessory for many touring and trade vehicles, and without one, some trips would just not be possible. It's the obvious place for lightweight, bulky items that are difficult to fit in the cabin of the vehicle. And with additional accessories now available, such as waterproof bags, you don't have to worry about your gear being exposed to the elements while travelling.

ARB manufactures both steel and aluminium roof racks to suit a wide range of vehicle types, covering both recreational and commercial applications:

- Deluxe roof racks
- Canopy roof racks and roof bars
- Trade roof racks

Additionally, ARB also stocks Thule and Rhino roof bars and accessories to suit most popular 4WDs, 2WDs and SUVs.

Frontier Tank

The ARB Frontier diesel tank is a lighter alternative to steel tanks and its one-piece design utilises existing vehicle mounting points. Manufactured from a resilient, impact resistant, cross-linked polymer, each Frontier tank offers strength and rigidity and the UV stable plastic ensures these tanks will not rust or corrode. • Amarok (2017 on) 130L diesel tank

Ute Liners

Compatible with all ARB canopies, ARB ute liners protect the ute tub from scratches, dents and corrosion, as well as common spills that might occur.

Ute Liners

The one-piece design is vacuum formed to the exact shape of the tub, is UV stable and helps prevent load movement.

Sportguard

24

ARB's Sportguard utilises a simple snap fit, five-piece design, which can easily be installed in separate sections with no drilling required and retains factory tie down points. The anti-slip floor is a standout feature and the contoured design maximises tub space.

Old Man Emu

Old Man Emu has been the choice of suspension for 4WDers for many years due to the outstanding ride performance it delivers over all road surfaces.

Integrated suspension packages are available to improve ride, handling and load carrying ability no matter what your requirements may be.

Nitrocharger Sport

Nitrocharger Sport shock absorbers are an integral part of Old Man Emu's suspension systems, providing a noticeable improvement every time the vehicle is driven. Built in Australia and trusted by 4WDers throughout the world, OME Nitrocharger Sport shock absorbers set the standard in fine tuning and ride comfort in any terrain, and simply outperform the competition.

Hardware

Complete suspension integration is possible with Old Man Emu's range of hardware and accessories such as greaseable shackles, bushes and steering stabilisers.

Old Man Emu designs a range of coil and leaf springs, enabling the installer the trade or packing up the 4×4 to match the most appropriate springs to the intended application. While ride height increases are attained, an emphasis is placed on ride control improvements.

Springs

Further fine tuning is achieved when the springs are matched to a corresponding set of Old Man Emu shock absorbers, delivering a fully integrated system, designed specifically to suit your vehicle.

GVM Upgrades

Whether you're carrying tools of for an extended trip, your vehicle can become dangerous and illegal if it exceeds the allocated gross vehicle mass (GVM). To combat these issues, ARB offers Old Man Emu GVM upgrades in line with ADR requirements for a number of new, unregistered vehicles.

27

Speak to your local ARB store or authorised stockist for more information on GVM upgrades.

Other Accessories

Intensity LED

Driving Lights

Designed and manufactured in Australia, ARB Air Lockers provide increased traction at the flick of a switch, whether it's rock, clay, sand, snow or mud. With a stateof-the-art two-piece design and an uncompromising approach to manufacturing, Air Lockers are distributed in over 100 countries worldwide and are the most trusted locking differential on the market.

200

Developed specifically for off road use, ARB's range of fridge freezers offer uncompromising performance, making them the perfect companion for off road travel, giving you the convenience of cold food and drinks, with rapid cool down and low power consumption. The range comes in four convenient sizes (35L, 47L, 60L, 78L), as well as the 60L Elements weatherproof fridge freezer.

Engineered in Australia and manufactured in the USA, ARB's Intensity LED driving lights have been designed and manufactured to specifically meet the demands of 4WDers around the world. Submersible to 3m and vibration tested to military specifications, Intensity LED driving lights are available in traditional round sizes (AR21 & AR32) for standard bull bar mounting, or as a light bar (AR40) for a unique integrated low profile mount, suitable for both bull bars and roof racks. Spot, flood and combination beam patterns are available (model dependent).

IPF Lights

Recovery Equipment

To cater for the different lighting requirements of 4WDers all over the world, ARB distributes a range of IPF driving and fog lights, in addition to a large range of replacement headlamp bulbs.

When travelling off road, reliable and durable recovery equipment is paramount. ARB offers a large range of recovery gear that will help get your vehicle out of any sticky situation. The range includes snatch straps, recovery kits, tree trunk protectors, and cable dampers. ARB also supplies a range of electric winches and Hi-Lift jacks.

Other Accessories

Dual Battery Kit Air Compressors

ARB's range of reversing cameras and monitoring systems offer exceptional reversing visibility and help to extend the driver's vision to the rear, side, roof or front of the vehicle. Designed with flexibility and superior performance in mind, there are a multitude of options to suit every individual, providing all round safety. Perfect for powering additional accessories without running the risk of flattening the main battery and to give you peace of mind in the event of a main battery failure, ARB has a range of dual battery kits to choose from. ARB air compressors are available in both portable and vehicle mounted kits, and offer many advantages when exploring the great outdoors, such as inflating tyres and camping accessories, running air tools, activating Air Lockers, even reseating a tyre onto a wheel.

Modular in design for user customisation, Outback Solutions drawers can maximise the versatility of your vehicle's cargo space by being configured with fridge roller drawers, roller floors or stackable drawers. Manufactured from galvanised stainless steel with sealed roller bearings and commercial grade carpet for durability. A Safari snorkel will protect your vehicle engine from dust, snow and water ingestion, ensuring clean, dry air is always available, no matter what the circumstance. Manufactured in Australia from polyethylene, the Safari snorkel is UV stable and can handle the toughest of conditions. ARB has a range of camping accessories to help you on your next weekend escape or off road adventure. Made from rugged and hardwearing materials and built for the great outdoors, the range was made to cope with the harshest of conditions. From swags and rooftop tents to camping chairs and

general accessories, ARB has all your camping needs covered.
